ADDITIONAL DEATH RECORDS

My thanks to the DeKalb County Board of the Health Depart-
ment for their permission to copy these records. The only
request they made, was not to copy the illegible deaths.

of

DE KALB COUNTY, INDIANA

A large THANK YOU to Mrs. Frances Reaser of the Health
Department for her many kindnesses, helpfulness, and
splendid co-operation.

A special thank you to Mrs. Reynolds of the Fort Wayne &
Allen County (Indiana) Library. Without his help these
records would not have been copied.

Compiled by
Fayne E. Harter
September 1972

These records were copied just as they were written-- even the obvious errors. Please check the many ways the surname could be written-- there are many spellings to some names.

My thanks to the DeKalb County Board of the Health Department for their permission to copy these records. The only request they made, was not to copy the illegitimate deaths.

A large "THANK YOU" to Mrs. Frances Kessler of the Health Department for her many friendlinesses, helpfulness, and splendid co-operation.

A special thanks to Mr. Fred Reynolds of the Fort Wayne & Allen County (Indiana) Library. Without his help these records would not have been copied.

These records were copied from the following:

Book D1

15 (these pages are loose in the book)

34

The records from Books 15 & 34 are not complete, only the ones that are not given in other DeKalb County Record Books, and not previously copied are given here.
